

Macaroni and Cheese

(A poem for two voices)

Making macaroni and cheese...

...is a breeze.

It's as easy as 1, 2, 3

It's as easy as 1, 2, 3

Step One: Macaroni.

Step Two: Add the cheese.

Step Three: Serve yourself.

Hey how about me?

Oh.... yeah...

Serve each other!

Serve each other!

Want some more?

Pretty please!
