

The Delicious Chocolate Donut

(A poem for two voices)

Say...

You don't really want that
Glazed chocolate donut, do you?
It was licked by a cat,
Then gnawed by a rat,
You know it's loaded with fat...

...CHOMP!

Hey!

You don't really want that
Half of a glazed chocolate donut, do you?
Chocolate causes a rash
You might grow a mustache
Your blood sugar will crash...

...CHOMP!

Excuse me...

You don't really want that

Tiny crumb that's left from

Your glazed chocolate donut, do you?

It's not very sweet

It's too small to eat

It was touched by fly feet...

...CHOMP!

Awww, shucks!
