

## Ouch!

Sticks and stones might break my bones

But names never did hurt me.

Until a neon sign

Fell and clobbered my spine.

Why didn't you alert me?

## A Serious Talk From My Parents

Blah, blah, blah, blah

Blah, blah, vegetables?

Blah, blah, blah, blah

No more sweets!

Blah, blah, blah, blah,

Blah, blah, stomach ache?

Blah, blah, blah, blah,

No more treats!

Blah, blah, blah, blah

Blah, blah, grounded!

Blah, blah, blah, blah

No TV!

Blah, blah, blah, blah,

Blah, confounded!

Blah, blah, blah...

Are you listening to me?
